Are Jessie and Glenn trying to overcome friction or physics?

F O R E W O R D

In this HICKORY LOG we have attempted to catch a part of the spirit of our school life during the 1951-52 school year. The good times and the bad, the pleasures of tasks well done, the fellowship in studies and play, the competition on the athletic fields—all of these have found a place in our annual. We hope that each of you, in future years, looking back, will remember.

Ain't it exasperating?

Food for the famished.

DEDICATION

It was his good humor that immediately made us like him, but it was his fairness, ability, and genuine interest in his students beyond the limits of the classroom that soon gave us the true respect and admiration that we all feel for him. Always there cheering our athletic teams to victory and capably guiding the Y boys, his school spirit is one we will always remember. And so we appreciatively dedicate this, the twenty-seventh volume of the HICKORY LOG, to Mr. Charles Bagby.

WITHIN THESE WALLS

Left to right: Mr. Clarence Howard, Mr. W. B. Shuford, Dr. Shuford Abernathy, Mr. Everette Eckard, Mr. M. E. Rink, Mr. R. Glenn Abernathy, Superintendent Hamilton. Not pictured, Mr. Norman Hutton, Chairman.

SCHOOL BOARD

Students and faculty of the Hickory City Schools owe much, indeed, to this group of able civic leaders, who through their interest in the welfare of the young people of this city are ever striving for better conditions in our school.

Composed of seven members, who are chosen every five years, the Board handles pertinent school affairs, including the election of teachers, principals, and superintendents, and the staging of school improvement plans such as the building of the new Junior High School now under construction.

The School Board is a most vital part of the civic life of Hickory; one which takes an active part in furthering a better life for Hickory citizens.

WELCOME—SUPERINTENDENT HAMILTON

At the beginning of the 1951-1952 school year the people of Hickory, especially the students of Hickory city schools, welcomed William S. Hamilton as superintendent of the Hickory school system.

Mr. Hamilton, a Duke graduate, came to Hickory from Morganton, where he had been superintendent for twelve years. This versatile civic leader has held the position of teacher, coach, principal, and superintendent. Because of the work he has done to raise the scholastic rating of the schools he has supervised to among the highest in the state, Mr. Hamilton has been recognized as an outstanding educational leader.

We feel very fortunate in having Mr. Hamilton with us at Hickory High. His friendly manner and interest in the students will long be remembered by seniors and underclassmen as well.

PRINCIPAL W. D. COTTRELL

Master craftsman, sculptor, painter, or molder of human character, as you wish to call him, Mr. Cottrell has wielded his efforts to develop the finished products in the persons of thousands of students of Hickory High.

Twenty long years of his life have been well spent in the development of character, education, and citizenship among the young people of Hickory. It can well be said by those who know him best, that—

"His pencil was striking, resistless and grand;
His manners were gentle, complying and bland;
Still born to improve us in every part,
His pencil our faces, his manners our heart."—*Goldsmith.*

During our four years of high school life our faculty has befriended and guided us throughout the devious paths of education. Everything from English novels and history dates to the formulas of chemistry has been presented to us in a concerted effort to round out our cultural background and increase our appreciation of life in general. Obviously, it now becomes our duty to show our gratitude by trying to live up to what they have taught us.

And so, we proudly present our faculty. Not, perhaps, a combination of all the virtues; but a group of friendly people, interested in us and our problems as individuals and en masse.

LONDON D. WALKER . . . A.B., Elon College . . . Band, Chorus.

The art of music and the perhaps greater art of lifting spirits upward.

The cap and mortarboard—signs of graduation.

High school behind us—future ahead.

The class of '52. Remembering all the years before with smiles and, yes, a little sorrow. Senior Week, going to your second Junior-Senior, the Senior party—this can only mean one thing—at last you're a Senior! The dignity that goes along with caps and gowns and marching on the stage to receive a diploma, the sadness of leaving old friends, and the thrill of new adventures ahead—all these experiences have passed, but none will be forgotten.

The Junior-Senior, indeed an "Enchanting Evening."

In exciting moment from "Out of the Frying Pan!"

It takes jeans to enjoy tux.

Our Junior year—one of the jolliest at Hickory High! Though there is still work to do, it somehow doesn't worry us so much now. We have organizations and other school activities to make life more meaningful. Hard work on the Junior-Senior is rewarded at the star-lit dance, when crepe paper flowers change the gym to majestic beauty, as if by a fairy's wand. Out of the Junior play come future thespians. Now we sigh, "Three years down and one to go."

A moment worth working for.

It's a twenty-four hour job to be a Soph.

No rest for the weary Sophomore.

No longer the youngest members of the school family! We look back with a slight feeling of superiority, but happy feelings are sometimes miles beneath piles of hard work (Geometry and Latin). Most of all, this year means a chance to become a member of the clubs, societies, and staffs. At last we begin to get into the swing of things!

Sophs make a clean sweep.

Our first high school report card.

Patience, boys, you'll grow up.

First days at Hickory High! School life begins with a "green" outlook. New experiences marked with enthusiasm and spirit . . . work is tackled with a boundless energy. As the year draws to a close, it becomes a glittering memory, leaving each Freshman anxiously awaiting his chance to be an upper classman.

Teamwork keeps the "walls" from tumbling down.

An essential part of Homecoming.

I love a parade.

From cabbages to kings. Such is the variety of our clubs and organizations. A club member is a happy soul with a symbolic pin on his sweater, and a job to perform. There are clubs for everyone's fancy, each one with a purpose, and with much to offer. This work toward a common goal, the accomplishments and the fellowship, brighten our six hours a day at Hickory High.

Typing out the Log.

It can't be all work.

the leaders of tomorrow.

Summer vacation is only too short for most Hickory High students, but each year the members of the Student Council return to school a day or two earlier than the rest. The Council members are always "on the job"; they're getting ready for registration at the beginning of the school year, or selling programs at the football games, and feeding the team afterwards.

Each year the Student Council publishes a student handbook for the freshmen and a student directory containing the names, addresses, and telephone numbers of all Hickory High students and teachers.

Running a lost-and-found department, welcoming new members of the student body, taking charge of assembly, conducting all class elections, and promoting any project which might better the school are some of the other numerous jobs which keep the Council members hustling from September until June.

THE LOWER HOUSE

 KENNETH CRIDER *Vice-President*
 HAROLD MOORE *Secretary-Treasurer*

Serving as a direct link between the classroom and the Student Council, each Home Room Representative keeps his home room in formed as to what the Council is doing and presents to the Council any suggestions of the students concerning worthy projects.

Making up the lower house of Hickory High's governing body, the Student Council, the Home Room Representatives are chosen on the basis of one to each home room and are selected by their home room.

One of the duties of the Representatives is to call the homes of all students absent from their home room. Since the cause of each absence must be put on school records, the Representatives prove helpful to the teachers by relieving them of this task.

These outstanding students, otherwise known as "Brains," as Beta Club members and leaders in their class, are chosen for the all-important duty of ushering at graduation and the Senior Play. What a great thrill to be leading the cap-and-gown-clad Seniors down the aisle to receive their diplomas.

It is indeed an honor to be so chosen, as one is selected on the basis of scholastic ability and leadership.

This, a familiar phrase from the Beta Club song, presents a characteristic picture of the standards and ideals of this honorary society.

Promoting high standards of honesty and clean living is the main purpose of the Beta Club; high grades and good character standing in the community are necessary qualities for membership.

The club plays an exceedingly important role in the annual March of Dimes drive, helping to solicit donations, both at school and elsewhere in the city.

It is, indeed, a distinct honor to be a member of this leading organization, which is playing such an important part in the life of our school.

Amid a jumble of confusion; flash bulbs popping, and would-be journalists slaving away, the final proof of our ultimate goal emerges in the form of the 1952 Log.

With Barbara and Martha steering the editorial staff to create layouts and write-ups, there is much writing and tearing up of copy before an eye of satisfaction rests upon it all.

BUSINESS STAFF

Jane and Dorothy struggle over the books, send out bills, and push the business staff onward toward bigger and better ads while Mrs. Sigmon keeps a watchful eye over all.

As this Log is laid upon the desks of H.H.S. students, we, the staff, hope that it holds for you memories that will never be forgotten because they are your memories captured upon the pages of the 1952 HICKORY LOG.

If you were to tune in Room 16 some day during fifth period, you might wonder how it is possible to prepare a newspaper amid such noise, but despite the bedlam that often reigns, the *Twig* somehow comes out on schedule.

Two weeks is the usual length of time needed to prepare an issue. The first four days of this period are devoted to selling ads and writing news. The following Tuesday, the "dummy" is made, "galley sheets" proof-read for mistakes, and the paper is sent to the printers. By Thursday, after the final proofreading, the paper goes to press, or is "put to bed." And the staff feels like they need to be put to bed, too!

BUSINESS STAFF

An oft-forgotten but immensely important part of any publication is its business staff—that group of tireless workers which is responsible for financing the newspaper, magazine, or yearbook. Although their task is many times overlooked as having little importance, and they themselves are often neglected when laurels are given, without an interested business staff, no publication could be run.

The "financiers" of the *Twig* first learn techniques of selling ads and, as any good salesman knows, this is of supreme importance. Each staff member's time is filled with contacting the advertisers on his list and convincing them that to advertise in the *Twig* is good business!

To encourage a high quality of journalistic endeavor on the school annual, paper, and weekly radio program is the purpose of the Quill and Scroll, the international society for high school journalists.

Sponsored by Miss Beatrice Cobb, outstanding journalist of Morganton, N. C., the club accepts members on the basis of journalistic ability and grade standing. Miss Cobb presents four awards each year to further encourage good journalism.

The weekly radio program, presented on WIRC, and the scrap-book of school activities are the main projects of the club.

One of the most outstanding clubs in any high school is its Monogram Club, because athletes in their play exhibit to the public the character of the school.

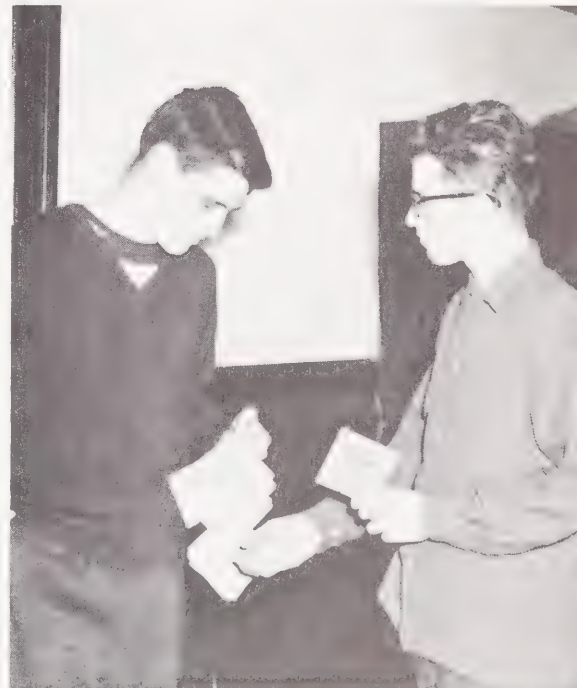

Membership is open to all boys and girls who have earned letters in baseball, football, basketball, tennis and track, and cheerleading.

Each year the main project of the club is to earn money to buy athletic sweaters for all of its new members. Tag day is held during the football season, and this project raises most of the needed funds.

Elections are held the first week in January, and the club is governed by its own constitution, drawn up by the members.

With its purpose in mind, "to improve and advance sportsmanship at Hickory High," the club continues to grow and become more active

If you wander through the halls of Hickory High the morning school is out for Christmas holidays, you may see a group of boys going from room to room, collecting hundreds of toys. You are not imagining things—the Y Clubs are getting ready for their annual Christmas party for underprivileged children. The members of most home rooms draw names, buy toys for each other, and exchange them at their home room parties. The whole school joins the Y Clubs in this expression of the true Christmas spirit.

By no means is this the only service project of the Y Clubs, which devote most of their time to others, as exemplified by their motto: "To create, maintain, and extend throughout the home, school, and community, high standards of Christian character." In the spring, an Easter egg hunt is held for underprivileged Negro children. Each of the four clubs—the Beta and Alpha Tri-Hi-Y's, and the Junior and Senior Hi-Y's, has a project of its own—helping a boy, girl, or sometimes even a whole family.

Throughout the year, they provide them with necessities, and the often more appreciated "extras," cheerful letters, and visits. Each member receives one point for each hour spent in club work. The number of points necessary to remain a member is decided by the club. This system is to maintain interested, participating members.

Y members are carefully selected, the membership being limited to forty members per club. The applicants attend a training school, where the present members tell them the history, purposes, symbols and important facts about the Y Clubs. A test is given to them on the facts they learned at these classes. Then they are rated by members and teachers on the basis of character, dependability, and attitude—grades are not considered. They must be willing to do their part in the work of the club. After being chosen, an impressive candlelight service is held in one of the local churches, with all members present.

Y officers include a President, Vice-President (Program Chairman), Secretary, Treasurer, Chaplain (Devotional Committee Chairman), Reporter (Publicity Committee Chairman), and Sergeant-at-Arms. Each member is given a place on the welfare, devotional, social, finance, or point committee. Every club has an adviser, who helps the group in every possible way. Correlating the work of the four clubs is the Y Council, which is made up of three members from each club; the president, and two members elected by their club. One of the newest projects of the Y Council is conducting devotions over the Public Address System at school every morning, planned by the four chaplains and one Council member. Every Good Friday, the Y Clubs present an impressive service in chapel, which means a great deal to the whole school.

To defray expenses, plays are often given by either the Y Clubs as a group or one of the individual clubs. The boy's fashion show this year will never be forgotten by the participants, even if the audience does not remember it quite so vividly. The "Powder Bowl" is another exciting annual affair, when the Beta Tri-Hi-Y plays the Alpha Tri-Hi-Y in football—maybe not much football, but lots and lots of fun. The Alphas were the proud winners this year, running up a score of 9 to 0.

Let us not fail to mention the gay social life necessary to the life of a well rounded Y member. Joint sociels, needless to say, are the most fun. For that matter, most meetings are joint ones, with the Hi-Y boys waiting rather impatiently for the Tri-Hi Y meeting to be over. The Christmas party, the hayride, and the fellowship ever present at all joint meetings are all proof of many good times.

The satisfaction of unselfish endeavors is ample reward for each member of this Christian organization.

Whether musical or not, fails to respond to the stirring rhythm of band music? It's true—music is a universal language, and every one, be he six or sixty, feels excitement rise within him as he hears the cry, "Here comes the band!" A whistle blows, drums beat, and sixty-five pairs of feet march in perfect time, as the maroon and gray clad figures of the band members come into view. During the school year the band participates in many activities, its main project of the year being the highly successful joint concert given with the high school band of Lexington, North Carolina. The yearly trip to the Asheville contest is always a high spot in musical enjoyment for both members of the band and audiences.

Learning to be happy in one's chosen profession, to know all aspects of the job, and to cultivate a sense of co-operation towards fellow-workers and employers are the main points that are covered in the activities of the D.O. Club.

The students belonging to the club go to school a half day and work a half day at their chosen jobs. Under the plan of the Diversified Occupations department of Hickory High School, they are thereby accomplishing a double purpose—participating in high school life and studies, while preparing themselves for their life's work, under the capable direction of Mr. Steele.

"A Bridge Between Parents and School"

This is a truly self-evident phrase when speaking of the P.T.A. representatives in Hickory High School. No other groups do more to further relationships between students, teachers, and parents, and familiarize parents with the activities of the school.

It is the duty of the P.T.A. representative in each home room to call parents in order to remind them of P.T.A. meetings and in turn to relate to the students the activities of the organization.

In many of the P.T.A. projects, such as the Benefit Bridge in the fall, the representatives prove invaluable assistants to the organization.

Key Club

In this outstanding club, civic duties amidst school life make the Key Club a group of busy boys. They are sponsored by the Kiwanis Club, with which their work is closely connected.

Many and varied are their annual projects. By sponsoring a movie at school, and even such ingenious ideas as selling T-shirts with a Confederate flag design on them, they help an underprivileged family, and present gifts to the school. They are now raising money to buy a sound projector for the school.

Several of the boys give reports of the club activities at Kiwanis meetings. A Kiwanian is always adviser of the club. Every Christmas the Key Clubbers make wreaths for their sponsors. These boys are an example of the way our school and community work together.

"Labor omnia vincit . . ."

With the occasional shout of "Hail Caesar" the slaves bow and scrape before their masters. The merry nobles laugh and talk while many a cold bare foot scampers to and fro to carry out their master's slightest wish.

The "slaves" are the first year Latin students; the "masters," Latin II students sporting Latin names and togas—or reasonable facsimiles thereof. The occasion is the annual Roman banquet held by the Latin II Club to initiate next year's members.

Studying the various Roman customs and characters are among the numerous activities carried on by the Club.

Previous to the Christmas holidays the Club's sponsor and counselor was Mrs. W. B. Piner, but upon her resignation, Mrs. Tracy Hitchner rejoined the faculty to continue on her work.

Senior Math Club

These are our mathematical geniuses, who know their circles and sines. Membership is open to all students taking solid geometry and trigonometry. A lot of hard work is made interesting through the efforts of their capable adviser, Miss Starnes. Unusual and attractive projects, such as geometrical flowers, blueprints, and model structures, are among their accomplishments. These projects were among the outstanding ones displayed at the open house held at the high school during National Education Week. Speakers, tops in their fields, talk to members of the club, giving them information for jobs-to-be. Some of these students will become engineers and architects, but this is training good for any mind. Here is time well worth being spent.

Piner's English Club

This group of Sophomore English students hold their meetings on the second Friday of each month, having discussions, reports, and other varied programs. The meetings are held during chapel, except holiday programs.

The main object of the club is to learn more about the history of the English language as well as keeping up with current happenings at home and in other countries, and in this manner increase the student's interest both educationally and socially. Any happening in connection with English or any question a student has is discussed by the group. By doing all of these things they help themselves become well rounded

To make the students aware of proper English in daily speaking and writing is the chief purpose of the club.

Having each member take part in the club by some activity makes it an outstanding one.

The programs, which include original poems and compositions written by the club members, are not merely for entertainment. The members become acquainted with everyday usage and practice of good English. The meetings are more or less informal and open discussions are stressed. The students get to know their classmates, and become "more at home" at school.

Taking surveys of jobs available to local high school students, studying the different phases of a secretary's work, and hearing talks presented by various local business figures, are the foremost plans of the club. The membership is open to all students taking a business course.

The Library Club

The newest club at Hickory High is the Library Club, having been formed by Miss Elizabeth Council, school librarian, at the beginning of this year for girls who like books and enjoy working with them.

Chosen from a large group of applicants by the teachers and Mr. Cottrell, the twenty members serve as assistant librarians and relieve Miss Council of a number of her smaller duties. They help in the library during their study periods, checking books in and out.

At their meetings once a month the girls study the Dewey Decimal System and library method. The club visited the Lenoir Rhyne College Library and plan to visit the new Elbert Ivey Library when it opens.

Behind The Wheel . . .

One of the hardest and most responsible jobs at the school is that of the bus drivers. These boys, who must have state driver's license, experience, and mechanical ability, are extremely capable and reliable.

More than drivers, they are concerned with the welfare of every school child in their care. They must be able to act wisely and calmly in any situation.

From the very beginning these Junior and Senior boys realize their responsibility and perform their daily task to perfection.

Our Faithful Trio

The school wouldn't seem the same without Arthur, Albert, and George. Well-kept grounds and clean classrooms are proof of their hard work. We see them always busy with their many duties—never failing to grant a favor. Arthur often has a cold job outdoors on a winter day; Albert has an endless task in cleaning the halls; while George drives the athletics' bus besides his other duties . . . enjoying it as much as the players do. These are our janitors, who present their jobs well done.

Grab it, Lois!

Oh, my aching back!

Mark up the 1951-52 athletic year as a success. The trophy case has overflowed because of the many awards, and all the teams deserve to feel proud of their fine play. Individuals broke the long-standing records, and new names were added to the list of athletes long to be remembered.

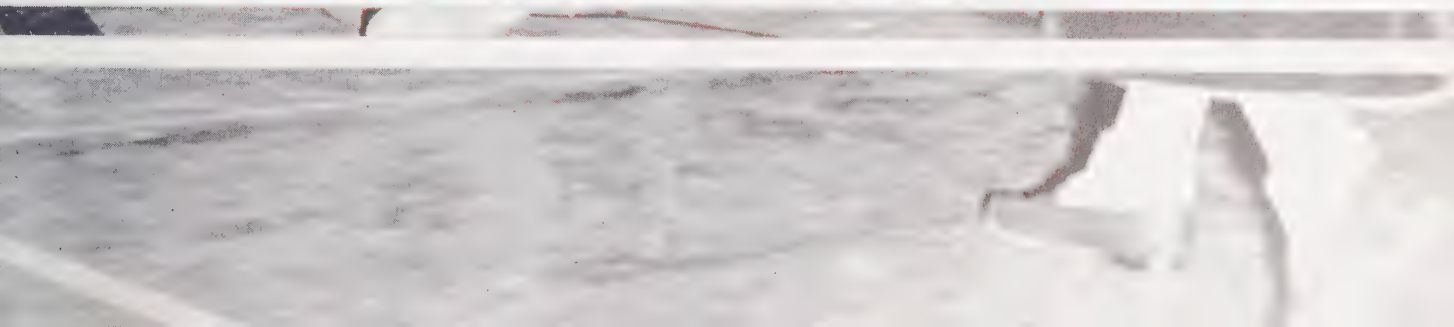

If schools were judged by their athletic teams, Hickory High School would certainly rank among the highest in the state.

The Spirits of Victory

Through the damp, cold night made for football, cheers swell through the air, ringing and echoing our spirit of excitement! In foul or fair weather, our cheerleaders are there cheering our team to victory. Not to be daunted by any odds, their school spirit is something to admire—and for which to strive. Tryouts are held at the last of each year, with the exception of Freshmen, whose elections are held at the first of the year, when the cheerleaders are chosen by their classmates. It's a lot of fun, but few realize the long hours they practice, always working to have better yells. They are a real inspiration to the teams and those of us who sit on the sidelines and get sore throats. A symbol of good sportsmanship regardless of who the opponent may be, they give us a high goal to reach.

THE MIRACLE MEN

COACH MITTEN

Football, Track, Junior Varsity Basketball

A coach long to be remembered at H.H.S. is Bob Mitten. His industriousness and capability have enabled him to improve the athletic program one hundred per cent.

A high school three-letter man in Pennsylvania, Mitten received his A.B. degree at the University of North Carolina, where he lettered in football for four years. Because of his outstanding play he was placed on several All-Southern Conference teams. After coaching at the university for a year he accepted a position as head coach here at the school.

This year's record of eight wins, one loss and a tie, and his "miracle" team in 1949 are excellent examples of his coaching ability.

COACH BARGER

Baseball, Girls' Basketball, Football

Everyone enjoys seeing the broad smile on Coach Frank Barger's face after his girls have won a basketball game. Although the girls have yet to place a conference trophy in the trophy case, Barger has coached two conference winning baseball teams.

After graduating from China Grove High School, where he lettered in baseball and football, he attended Lenoir Rhyne College. His education was interrupted by three and one-half years of service in the Navy, but he returned to L.R., where he was 1940 football captain, and placed on three all-conference teams. In 1949 Barger was placed on the Lenoir Rhyne All Time Great Squad.

COACH MILLER

Boys' Basketball, Football

A man with wit, intelligence, plus a pleasing personality will always succeed. This definitely describes our capable basketball coach, Gene Miller. He performed what many would consider a miracle when he guided our inexperienced 1950 basketball squad to a Western Conference championship.

A three-letter man at Hickory High, Miller attended Lenoir Rhyne College, where he played baseball and football. Definitely in favor of a passing defense, Miller set many passing records at L.R., and his experienced hand has guided many boys here on the gridiron. After coaching at Oxford High School for a year, Miller came to H.H.S.

H.H.S. TAKES PRACTICE TILT FROM CONCORD 33-20

After a week's training at Appalachian College, the 1951 edition of the Hickory High Red Tornadoes opened the football season at Boone in a practice game with Concord. Concord came out on the short end of a 33-20 score. The Tornadoes' power started rolling in the second quarter when Sam Steele reeled off a long fifty yard run to score. Jim Whisnant added two more on two reverses before the half ended to give H.H.S. a three touch-down lead.

In the second half the Hickory boys were still hot, with Frye, Kanipe and Collins leading them to more gains, while Steele and Whisnant each scored once more. In the final period Concord took advantage of the Hickory reserves to score their three touchdowns. Robert Shirley made three out of five conversions for the Tornadoes.

TORNADOES TOP THOMASVILLE 20-7

Hickory High opened its home season at College Field as they defeated the Thomasville Bulldogs 20-7. Sam Steele sparked Hickory's offensive attack, which gained 286 yards and made twelve first downs. Two of Steele's runs went for TD's, one a 79 yard run, the other, 65 yards. George Warlick bucked the line for the other score, and Shirley added the points after touchdowns. Joe Buff and Will Frye were on the receiving end of Dyke Little's needle-threading passing, which accounted for several long gains. The defensive team, which threw the Bulldogs for many losses, was headed by John Nowell, Bob Dellinger and Ken Crider.

TORNADOES BREEZE BY RAIDERS 32-6

In the third game of the season H.H.S. took a 32-6 victory from a weak and inexperienced squad from Belmont. Dyke Little started things off right in the first period as he dashed off left tackle from six yards out for the first Hickory score. Robert Shirley made it a seven point advantage as he split the uprights with his first of two extra points. Slamming Sammy Steele scored twice in the second quarter on his specialty of long end sweeps. Will Frye snatched one of Little's passes out of the air for another score as the first half ended with the Tornadoes out front 26-0.

In the third stanza George Warlick went through the center of the line for 6 more to climax runs by Whisnant and Buff. Norman Punch and Gene Kirby led the powerful Hickory line, which kept the Raiders bottled up all night.

HICKORY TAKES 14-13 SCRAP FROM SHELBY

The Red Tornadoes came close to defeat in Hickory as the Shelby Lions gave H.H.S. one of their toughest battles of the year. The game opened with an exchange of punts and finally a Shelby score. Then the Hickory boys began to roll after they recovered a fumble which set up a fifteen yard end run by Steele for the first Tornado TD. In the second half Warlick and Whisnant sparked a 65 yard drive with Warlick finally going over on a line plunge. Robert Shirley then added his second conversion to give Hickory a 14-7 lead.

In the closing minutes of the game Shelby climaxed a long drive with a touchdown. Then came the all-important try for the extra point which was blocked by Will Frye to give H.H.S. a close 14-13 win.

H.H.S. SLAUGHTERS MARION 32-13

Hickory High School's Red Tornadoes amazed football fans throughout the state with a smashing 32 to 13 victory over the previously unbeaten Marion Rippers. Before the battle Marion had been ranked fifth among North Carolina high school football teams.

After Robert Shirley plowed over from the four yard line, and Sam Steele slanted off left tackle for two first period TD's, there was no doubt as to the outcome of the game. In the first play of the second quarter Joe Buff took a hand-off and carried seven yards for the third Tornado score. Steele added another from two yards out.

With only moments gone in the second half Steele raced off left tackle for forty-four yards and the last H.H.S. score. Harold Reese and Ken Crider led the Tornado defense, which held Marion scoreless the first three periods. The Rippers finally scored in the final chapter against Hickory's reserves.

BEARCATS UPSET HICKORY 7-0

The Lenoir Bearcats, always a tough foe for Hickory, upset the Tornadoes' chances of winning the conference crown as they handed H.H.S. their only defeat of the season by a 7 to 0 count. A huge crowd witnessed a terrific struggle by two of the conference's most outstanding lines. The Tornado line, which held the Lenoir offense intact for most of the game, was headed by John Nowell and Bob Dellinger.

The Bearcats were forced to kick almost every time they had the ball, but midway of the second quarter, Paul Beck faked a kick and ran 52 yards before Billy Gaines tackled him from behind on the fifteen yard line. Three plays later Lenoir scored the only TD of the game.

Hickory drove down within the Bearcats' twenty yard line three times only to lose the ball via downs or a fumble each time.

HOMEcoming CROWD SEES TORNADO VICTORY

A large homecoming crowd watched Hickory High take their sixth game of the year by defeating the Golden Tornadoes of Forest City, 28 to 0. George Warlick scored the first touchdown as he drove over from the six yard line. Robert Shirley added his first of four extra points to give the Red Tornadoes a 7 to 0 half-time lead.

When the second half got under way, Warlick hit the center of the line for six more points. After the ball changed hands, Sam Steele galloped 68 yards through the entire Forest City line for H.H.S.'s third touchdown. In the final period Mel Ford Miller and Terrill Kanipe opened up a big gap at right tackle and Will Frye carried a hand-off through for the final marker.

RIVALS BATTLE TO 21-21 TIE

The Newton Red Devils fought the Red Tornadoes to a 21-21 deadlock before a large crowd which included many Hickory fans. The Red Devils took the opening kick-off and a long pass and two running plays netted them their first score. Fullbacks George Warlick and Robert Shirley sparked a Tornado drive with Warlick scoring from the ten and Shirley adding the point. After an exchange of punts, a pass, batted into the air by Dellinger, was complete for another Newton tally. A long pass from Little to Whisnant and a 15 yard penalty placed the ball on Newton's 45 yard line. From here Sam Steele went around left end and outran the Red Devil secondary for the TD which made the half-time score 14-14. In the third quarter Newton recovered a Tornado fumble and went on to score. Late in the final period the Hickory forward wall, led by Reese and Punch, recovered a Newton fumble on the 10 yard line and three plays later Warlick hit through the middle for six. Shirley then stepped back and calmly added the extra point which gave Hickory the tie.

HICKORY DOWNS RUTHERFORD- SPINDALE 34-7

Before a small home crowd the Tornadoes blasted Rutherford-Spindale 34-7 for their last home game of the season. On the opening kick-off Sam Steele went 91 yards for a TD, only to have it called back, but it wasn't long before George Warlick plowed over from the three. In the second quarter Rutherford scored on a forty-two yard pass. The half ended 13-7 when Warlick tallied again. After the intermission Warlick romped over his third touchdown of the game. Then Dyke Little plunged over from the five. Substituting freely, the Tornadoes didn't score again until Steele came back for a fifty-seven yard touchdown jaunt in the third period. Shirley kicked all four points and was successful the several times he carried the ball.

TORNADOES LICK WILDCATS 21-0

For two quarters the Morganton Wildcats gave the Hickory supporters a scare as they battled to a 0-0 half-time score, but in the third stanza H.H.S. opened up for three quick touchdowns. The Tornadoes were held back in the first half by fumbles and penalties, but in the second half, after receiving a quick kick, Frye faked a punt and ran the ball to the thirty. After Little completed passes to Hume Collins and Joe Buff, Sam Steele, who was playing fullback due to injuries of Warlick and Shirley, speeded off right tackle for a 55 yard touchdown run. After the kick-off Whisnant returned a punt ten yards to the 45. A pass from Little to Buff, two running plays and a fifteen yard penalty placed the ball on the one. Steele carried over for the second TD. Soon after the Cats got the ball Bob Dellinger intercepted a pass and, with a fine block by Will Frye, returned it 20 yards for the final score. Hume Collins kicked the three extra points.

H.H.S. ENDS SEASON WITH 39-0 WIN OVER WOLVES

As 16 seniors ended their football careers for the Garnet and Gold, the Red Tornadoes slaughtered the Lincolnton Wolves by a 39-0 count. It was also the last game of the season for H.H.S., ending in third place with 8 wins, 1 loss, and 1 tie.

Sam Steele started things off right as he ran 90 yards for the first score in the first minute of play. In the second quarter End Vernie Deal blocked a Wolf punt and ran forty yards for the second tally. Immediately after the kick-off, Hickory regained possession of the ball and Steele scored his 15th touchdown of the year, and a 19-0 half-time lead. After the half, Joe Buff, who missed the first half because of sickness, threw a 20 yard touchdown to Will Frye. When Hickory got the ball again, Dyke Little put on an aerial show that finally saw Jim Whisnant race under a 20 yard toss for a 32 to 0 lead. In the final period Little tossed 35 yards to All-Conference End Will Frye for the final score of the 1951 season. Hume Collins made three of six conversions.

At the end of the season Bob Dellinger and Sam Steele were selected to play in the Optimist Bowl in Asheville. Steele was voted most outstanding player of the game.

Hickory High cagers started their 1950-51 basketball season under their new coach, Gene Miller. Using a new system, the boys played seven games before Christmas against non-conference opponents, winning four and losing three. During the holidays they kept in shape by playing in the Kiwanis Tournament, held at the local Community Center. Since most of the H.H.S. boys were still rather inexperienced, the Red Tornadoes lost in the second round after defeating Banoak in the first game.

The second of January marked the beginning of conference competition, and Hickory became Western Conference champs for the first time in several years by winning thirteen out of sixteen games. No team beat the Tornadoes more than once during the entire season. The Hickory boys rolled up their largest score—seventy points—against Shelby, and their smallest—thirty-eight—against Hendersonville.

Besides taking the League championship the Red Tornadoes came back from two tournaments with honors. In the Lenoir Tournament Hickory was defeated in the semi-finals by Wilkesboro 64-50, but H.H.S. junior Manuel Cohen was placed on the All-Tournament squad. At the Valdese Gold Medal Tournament the "dark horse" Hickory team took the crown after five hard-fought games, with Manuel Cohen and Carroll Saine bringing All-Tournament honors back to the school.

BOYS' BASKETBALL

Hickory's Red Tornadoes are defending the Western Conference with a total of eight returning lettermen. Captain Manuel Cohen starts at center and is a fine rebounder. Don "Stalk" Walters also sees plenty of action at the pivot slot, as does Hume Collins, up from last year's Jayvee squad. At forward, the Tornadoes have two loes. Both Joe Petree and Joe Buff are good rebounders and can hit with the one-ball shot. Fred Abernethy and Johnny James are both excellent ball players, while "Bull" Nowell, up from the Jayvees, is showing steady improvement. At guard, Harold Moore and Bill Isenhour handle the ball and shoot with precision, while Jerry Bishop, the playmaker of the team, and Bill Gaines, a transfer student from Mountain View, strengthen the bench. Another pair of guards up from the Jayvees are Myron Deal and Dickev James. Both are showing plenty of promise.

Kneeling: Ruby Camp, Pat Schell, Betty Roper, Lois Guthrie, Sarah Allison, Doris Radcliff.

Standing: Coach Frank Barger, Dorothy Wentz, Barbara Merritt, Alverta Hutton, *Captain;* Sandra Freeman, Peggy Nan Frve, Linda Headen, Altha Andrews, *Manager.*

GIRLS' BASKETBALL

Three new faces—Doris Radcliffe, Linda Headen, and Peggy Nan Frve—were added to the 1952 girls' basketball squad.

Linda, Pat, and Sandra have the rare quality of being of value on both offense and defense, while Lois, Peggy Nan, Doris, Sarah Jean, and Dorothy are well qualified to keep the opponent's score down. Back to help Alverta and Barbara pour in those always needed points are forwards, Ruby and Betty.

Sandra, win or lose, can always make the team feel good with her wisecracks and ever-ready wit. H.H.S. couldn't have a team without her.

Although they readily admit griping and hate to practice, not a single one of the girls on the team would voluntarily leave. Always trying to bring to the school new honors, the team will continue to play hard, and play together.

One win down one to go.

Led by two all-state honorable mention forwards, Barbara Merritt and Alverta Hutton, the H.S. Tornadoettes compiled a season-long record of 24 wins, 7 losses, and 1 tie, to take third place in the Western Conference. The team, consisting mainly of veterans, lost only three league games, two of them to the powerful Lincolnnton sextet and the other to Rutherford-Spindale. By scoring 1,765 points, the girls scored 55 per game.

In the semi-finals of the Valdese Tournament, the girls were beaten again by Lincolnnton—their long-time jinx—but they proved their playing ability by placing Lois Guthrie and Barbara Merritt on the all-tournament team. Libby Huffman was chosen queen of the event.

In their best performance of the season, the Tornadoettes took top honors in the Lenoir Tournament by overpowering four powerful teams. Joan Wright and Barbara Merritt received all-tournament honors, and Alverta Hutton was chosen most valuable player.

High scorer for the team was Barbara Merritt with 596 points.

This was one of the most successful seasons that the girls had had in many years. They were guided by the capable direction of Coach Frank Barger.

HICKORY 2—SHELBY 1

The Hickory High Red Tornadoes opened their 1951 season with a bang as Tom Swatzel hurled a brilliant no-hitter. Joe Buff won the game for Hickory with a home run in the last of the ninth with two men out.

GASTONIA 11—HICKORY 4

In the second game of the season Gastonia's State Champions took an 11 to 4 win over the Tornadoes on College Field. Bruce Bishop, Robert Shirley and Jim Whisnant shared pitching duties for the Hickoryites while Bill Walters was the only Hickory batter to get two hits.

HICKORY 5—LINCOLNTON 4

Tommy Swatzel hurled five-hit ball while Jim Whisnant collected three hits and Will Frye two. Frye's home run in the bottom of the ninth tied the score, and Hickory went on to win the game five to four.

GASTONIA 13—HICKORY 1

Red Mincey of Gastonia hurled a beautiful two-hitter for the State Champions while his mates collected eleven hits off two Hickory chunkers. Joe Buff collected both the Hickory hits, one being a double in the ninth inning.

HICKORY 14—SHELBY 0

Hickory's nine hits and Shelby's nine errors gave the Tornadoes a shut-out over the Shelby team. Pitcher Bruce Bishop allowed only two hits and struck out nine. Jim Whisnant had three hits and Bill Walters two for Hickory.

HICKORY 20—VALDESE 4

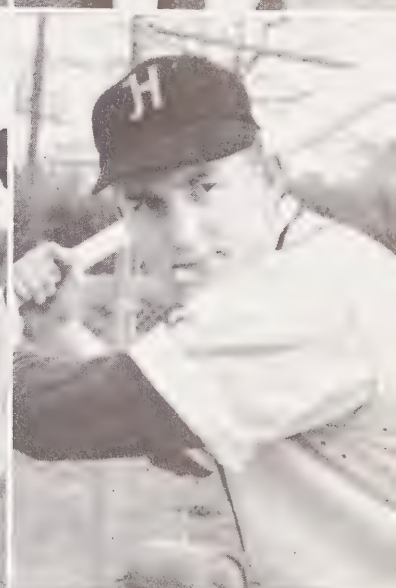

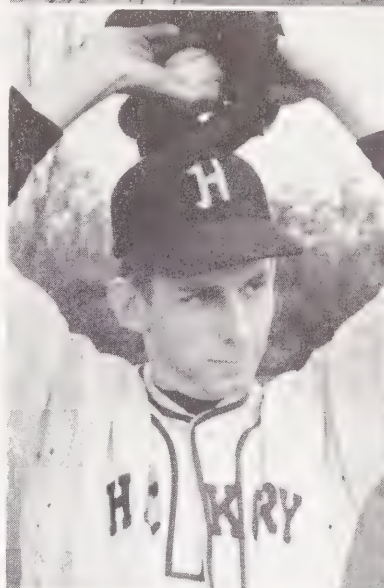

Hickory defeated Valdese in a non-conference tilt at Valdese with thirteen Hickory boys seeing action. Jim Whisnant led the Tornadoes' hit parade with five hits, while Will Frye had three and Joe Buff and Richard Beam collected two apiece. Tom Swatzel hurled a three-hitter, and struck out eight.

HICKORY 5—FOREST CITY 4

Nineteen batters went down swinging and the lead changed hands three times as the Red Tornadoes squeezed out a 5 to 4 victory over Forest City. Bruce Bishop was credited with the win and got two Hickory hits. Richard Beam tripled in the sixth inning for Hickory's biggest blow of the game.

LENOIR 8—HICKORY 3

Lenoir pulled a big surprise in the Western Conference by upsetting Hickory's defending champions. "Hollywood" Dean Baker started for Lenoir and was credited with the win, although he needed help from Bob Clark in the seventh. Tom Swatzel started for Hickory, but three walks, a single, and three errors let in five Lenoir runs. Bruce Bishop and Robert Shirley came in to help stem the tide, while Dyke Little and Richard Beam each had two hits for Hickory.

HICKORY 7—CHERRYVILLE 2

Hickory slapped out ten hits off three Cherryville pitchers to gain a 7 to 2 win over the Ironmen. Bill Walters connected for three Hickory hits, one a home run in the first inning, while Joe Buff and Richard Beam had two hits apiece. Robert Shirley allowed only three hits, while striking out nine.

HICKORY 14—NEWTON-CONOVER 10

In a game played in mud and slosh, Hickory outlasted Newton in a game which Hickory won despite thirteen errors. Robert Shirley came in to relieve Bruce Bishop in the first inning and was credited with the win. The leading hitters for Hickory were Shirley with three hits, Bill Walters and Bob Dellinger with two each. Joe Abernethy was the only Newton player to get two hits.

LINCOLNTON 5—HICKORY 0

Tom Harkey, ace lefthander of the Lincolnton mound staff and later a pitcher on the North Carolina Boys' All-State team, handcuffed the Hickory team to only five blows, while striking out eleven. Tom Swatzel matched his performance for the Tornadoes by giving up only four hits, but walking ten Lincolnton batters hurt the team. While Bill Walters was the only Tornado to get two hits off Harkey, no Lincolnton player could boast more than one hit.

HICKORY 8—FOREST CITY 4

Hickory jumped on two Forest City hurlers for four runs in the first inning and were never stopped as they took an 8 to 4 decision over the Forest City lads. Will Frye and Jim Whisnant each had two hits to lead the Tornadoes, while Bruce Bishop gave up nine hits and struck out six to keep Hickory tied with Lenoir and Belmont for the Western Conference lead.

NEWTON 8—HICKORY 2

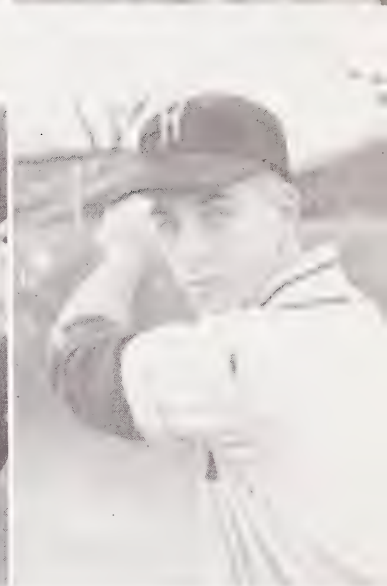

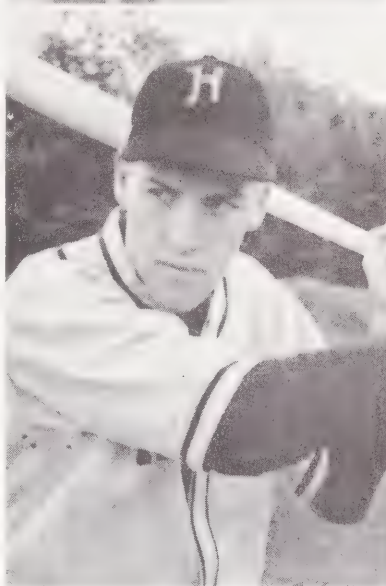

Hickory's pennant hopes suffered a jolt when Lefty "Hom" Isaac hurled Newton to an 8 to 2 victory. Isaac allowed eight hits but struck out twelve, while Robert Shirley gave Newton only six hits. Nine Hickory errors helped the Red Devils score at will. For Hickory Bill Walters had three hits, one being a tremendous triple off the Newton center field wall, and Dyke Little had two.

HICKORY 8—CHERRYVILLE 0

Will Frye's 375-foot home run landing in the tennis courts highlighted Hickory's shut-out over the Cherryville Ironmen. McCoy Turbyfill slapped out three hits, with Jim Whisnant and Linford Lackey getting two each. Tom Swatzel scattered eight hits and struck out ten in a performance which had to come through, since Belmont had finished its schedule and Hickory's final standing depended on this and the final game.

HICKORY 7—LENOIR 5

Hickory's Red Tornadoes, fighting to tie Belmont for the Conference crown, jumped to an early lead and were never topped. In the third inning Will Frye doubled and Joe Buff socked a tremendous home run over the right field hedges for two of Hickory's big blows. Dyke Little and Jim Whisnant garnered two hits each for Hickory. Bruce Bishop hurled nine-hit ball, struck out eight, and walked four to get his fourth win of the season.

CINDERMEN

These afternoon Coach Mitten's cinder men practice diligently for the season's work in track. The boys participate in the high jump, pole vault, the discus throw, and shot put, while the swift runners stretch their legs in the 220, 440, 880, and 1600 yards dashes. The team has a chance to show their co-ordination and teamwork in various relays. Great things are expected of next year's track team.
